EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136.

1. ☒ The brief does not contain the items required under 37 CFR 41.37(c), or the items are not under the proper heading or in the proper order.

3. ☐ At least one amendment has been filed subsequent to the final rejection, and the brief does not contain a statement of the status of each such amendment (37 CFR 41.37(c)(1)(iv)).
4. ☒ (a) The brief does not contain a concise explanation of the subject matter defined in each of the independent claims involved in the appeal, referring to the specification by page and line number and to the drawings, if any, by reference characters; and/or (b) the brief fails to: (1) identify, for each independent claim involved in the appeal and for each dependent claim argued separately, every means plus function and step plus function under 35 U.S.C. 112, sixth paragraph, and/or (2) set forth the structure, material, or acts described in the specification as corresponding to each claimed function with reference to the specification by page and line number, and to the drawings, if any, by reference characters (37 CFR 41.37(c)(1)(v)).
5. ☐ The brief does not contain a concise statement of each ground of rejection presented for review (37 CFR 41.37(c)(1)(vi)).

Continuation of 10. Other (including any explanation in support of the above items): According to Content and Format of the Appeal Brief (section 41.37), Rules of Practice Before BPAI effective September 13, 2004, appellant must present the appeal brief under special headings (e.g. "Grounds of Rejection to be Reviewed on Appeal" replacing both "Issues for Review" and "Grouping of Claims"), there is no separate heading for "Grouping of Claims" as presented in the revised supplemental appeal brief. According to the same Rules and Practice Before BPAI, appellant must present concise explanation of the subject matter defined in each of the independent claims involved in the appeal. A concise "explanation" of the subject matter defined in each of the independent claims may not be fulfilled by mere recitation of the claim limitations as presented in the revised supplemental appeal brief. Doing that will not serve the purpose of the appeal or the purpose of changing the title from "summary of invention" to "summary of claimed subject matter"..
